SUBJECT : Titling

You will remember that this matter was discussed at our staff meeting on 19 June. It was left that the Director of Operations and the Contracting Officer would consult with the Chief, D/GP (Mr. Lundahl) and arrive at an agreed and feasible titling procedure. I am writing to remind you of the urgency of settling this matter and to ask that the Contracting Officer take the initiative in working out an agreeable solution and seeing that Eastman is informed of it.
